

# TOP 5 REASONS TO OUTSOURCE YOUR TRAINING

## 1 **OUTSIDE INSIGHT:**

In a rapidly changing marketplace, our training and development programs jump the walls of your organization to bring you outside perspective, the newest techniques and the best content that speaks to your employees.

## 2 **COST SAVINGS & CONVENIENCE:**

Say goodbye to FTE's—full time equivalent costs, benefits, etc. We are there when you need us and gone when you don't. Save on office space, furniture, supplies, and office drama.

## 3 **DYNAMIC DISNEY EXPERIENCED FACILITATORS:**

Think Disney quality, best practices and entertainment. We also design and produce professional, high end graphics and participant guides.

## 4 **VARIETY:**

We create, design, and facilitate enterprise programs, and specific training programs for executive leadership, middle managers, and front line staff.

## 5 **CUSTOMER-CLIENT RELATIONSHIP:**

We make YOU the customer. Are you served as the customer by your current training department? Donnelly Effect meets your deadlines, exceeds your expectations and ensures your 100% satisfaction!
